## **You are invited to a meeting concerning the Southwestern Parkway CSO Storage Basin —an underground-covered basin—in Shawnee Park.**

**November 12, 2015 · 6:30 PM**

**The Academy @Shawnee**

**4001 Herman Street · Louisville, KY 40212**

This is the third in a series of public meetings concerning the Southwestern Parkway CSO (Combined Sewer Overflow) Storage Basin. This meeting will provide information concerning the conceptual design of the basin and location options. You will have an opportunity to provide input and comments regarding the project.

This basin project will greatly lessen the occurrence of combined sewer overflows—untreated sewage—entering our local waterways, and it will reduce flooding in the area during rain events.
