Public Meeting Notice

Southwestern Parkway CSO Basin | Meeting 3

DECEMBER 14, 2015 | 6:30 PM

THE ACADEMY @SHAWNEE

4001 HERMAN STREET | LOUISVILLE, KY 40212

You are invited to a meeting concerning the Southwestern Parkway CSO Basin—a covered-underground basin—in Shawnee Park.

This is the third in a series of public meetings concerning this basin project. The meeting will provide you with information concerning conceptual design options for the area above the basin. You will have an opportunity to provide input and comments regarding these options.

This basin project will greatly lessen the occurrence of combined sewer overflows—untreated sewage—entering our local waterways, and it will reduce flooding in the area during rain events.
