Public Meeting Notice

I-64 & Grinstead CSO Basin | Conceptual Design Meeting

MARCH 10, 2016 | 6:30 PM

**LOCATION: GIRL SCOUTS OF KENTUCKIANA BUILDING
2115 LEXINGTON ROAD | LOUISVILLE, KY 40206**

MSD will hold a Conceptual Design Meeting concerning the I-64 & Grinstead CSO (Combined Sewer Overflow) Basin Project—a covered-underground basin.

At this meeting, MSD will provide information about the conceptual design phase of the project, and offer you an opportunity for input and comments. This basin will greatly lessen the occurrence of combined sewer overflows—untreated sewage—entering Beargrass Creek during rain events.
