I-64 & Grinstead CSO Basin | Advanced Design Meeting

NOVEMBER 15, 2016 | 6:30 PM

**LOCATION: GIRL SCOUTS OF KENTUCKIANA BUILDING
2115 LEXINGTON ROAD | LOUISVILLE, KY 40206**

MSD will hold an Advanced Design Meeting concerning the I-64 & Grinstead CSO (Combined Sewer Overflow) Basin Project—a covered-underground basin.

At this meeting, MSD will provide information about the advanced design phase of the project and offer you an opportunity to provide input concerning the project. This basin will greatly lessen the occurrence of combined sewer overflows—untreated sewage—entering Beargrass Creek during rain events.
