Project Update

Southwestern Parkway CSO Basin | Pardon Our Dust

NOVEMBER 29, 2016 | 6:30 PM

SHAWNEE GOLF COURSE CLUBHOUSE

460 NORTHWESTERN PARKWAY | LOUISVILLE, KY 40212

You are invited to a meeting for residents and Shawnee Park patrons to learn more about the construction phase of the Southwestern Parkway CSO (Combined Sewer Overflow) Basin Project—an underground basin in Shawnee Park. Information will also be provided concerning new amenities for Shawnee Park, which are part of the project.

The Project will provide a cleaner Ohio River by greatly reducing the occurrence of combined sewer overflows, while providing new amenities and preserving the historic nature of Shawnee Park. This meeting is also an opportunity to learn what to expect as construction begins in January 2017.
