Public Meeting Notice

Lexington & Payne CSO Basin | Conceptual Design Meeting

APRIL 26, 2016 | 6:30 PM

**LOCATION: GIRL SCOUTS OF KENTUCKIANA BUILDING
2115 LEXINGTON ROAD | LOUISVILLE, KY 40206**

MSD will hold a Conceptual Design Meeting concerning the Lexington & Payne CSO (Combined Sewer Overflow) Basin Project—a covered-underground basin.

At this meeting, MSD will provide information about the conceptual design phase of the project, and offer you an opportunity for input and comments. This basin will greatly lessen the occurrence of combined sewer overflows—untreated sewage—entering Beargrass Creek during rain events.

Pre-register for this meeting and receive notifications concerning this project at <http://msd-lex-payne.eventbrite.com>
